

Soccer

Providence City does not run its own soccer program. Our fields are used by [South Cache Soccer League](#) and [Northern Utah United Soccer League](#). You may visit their websites by clicking the links above for more information.

Competitive soccer teams wanting to use one of the Spring Creek Soccer Fields as their home field for the 2023 Spring Season can reserve the field online. Soccer home game field reservations are limited to five home teams per field. As in years past, this reservation is for game use only; it does not reserve practice time. Reserve online at providence.sportsites.com

Reservation fee: \$100
