A Change of Schedule

As you've learned by now, Providence City's waste collection schedule has changed. If you still need information on your new pickup day for garbage, green waste and recycling, visit mygarbageaday.loganutah.org. Once there, click on "Providence City Map" and search your address for your assigned day. Please have your curbside bins out and ready for collection by 7 a.m. each week.

Collection Schedule

Sweet Rides & Sauerkraut

It's time! The 2023 Sweet Rides and Sauerkraut Car Show is just around the corner. This year's party will be at Spring Creek Middle School on Saturday, Oct. 14, from 10 a.m. to 2 p.m.

There will be a variety of vintage and contemporary vehicles to see, and a running vote for the crowd favorite. DeNovo will be keeping the crowd entertained with live music throughout the day.

This year, all proceeds from the show will be donated to the [Little Lambs Foundation for Kids](http://LittleLambsFoundation.org).

Join us for a perfect fall Saturday!

Meet the Candidates Night

Election Day 2023 is set for Tuesday, Nov. 21. Providence is holding elections for three City Council seats. These four residents are running in 2023:

- Kendall Pace
- Brent Speth (incumbent)
- Carrie Kirk (incumbent)
- David Kunz

The traditional Meet the Candidates Night will be held on Monday, Oct. 23 at 7 p.m. at Spring Creek Middle School. This event is designed to introduce the four candidates to Providence residents. Get to know them, their backgrounds and their goals for their time on City Council.

More election information will be published in the November newsletter and on the city website.

Recycling Reminders

With the change in waste pickup, it seemed like a perfect opportunity to discuss recycling and remind residents of the guidelines set by Cache County. This graphic shows what can and cannot be recycled locally.

YES			NO		
CARDBOARD BOXES	CARDBOARD PACKAGING	PAPER	GLASS	DRINK & FOOD CARTONS	STYROFOAM
MAGAZINES & CATALOGUES	PAPER BAGS	PAPER EGG CARTONS	PIZZA BOXES	FOOD & GREEN WASTE	PLASTIC #3 - #7
METAL CANS	PLASTIC #1 (CLEAR PLASTIC BOTTLES WITH A THREADED NECK)	PLASTIC #2 (MILK JUGS)	PLASTIC BAGS	CLAMSHELL PACKAGING (EVEN WITH #1 OR #2)	DISPOSABLE PLATES, DRINK CUPS, LIDS & STRAWS

Please do your best to follow these guidelines. All packaging in recycling bins should be rinsed and clean. One contaminated bin can contaminate the entire truck, which in turn costs the city more money. If you have further questions about recycling, contact Logan City at (435) 716-9792.

A Word From Public Works

With fall here, the Public Works department would like to remind you that the city will be picking up leaf bags. **Do not rake your leaves into or place your leaf bags in the gutter or out into the street, as this can clog the storm drains.** Please place the bags on the curb or edge of your property—sooner, rather than later—and they will be collected as soon as possible.

Also, please remember to winterize your sprinkler systems to keep them in good shape for next spring.

Autumn and Halloween are here! Here are some fun facts and information to help enjoy the season:

- Catching a falling leaf can bring you good luck
- You can spot a harvest moon
- Johnny Appleseed was a real guy
- There's a distinct "fall" scent that you can only smell in certain months
- The Northern Lights are stronger in the fall
- There are more than 7,500 varieties of apples in the world
- Pumpkins grow on nearly every continent
- Monarch butterfly migration begins in the fall
- Squirrels forget about most the nuts they bury, which helps regrow forests
- The U.S. produces 4.27 million gallons of maple syrup each year
- The word fall is literally derived from the phrase "the fall of the leaves"
- Jack-o-lanterns were originally made out of potatoes
- There is only a full moon on Halloween three or four times per century
- The most common Halloween costume for pets is a pumpkin
- Americans buy enough Halloween candy to fill six Titanics
- Harry Houdini died on Halloween
- The song "Monster Mash" was No. 1 on the Billboard Hot 100
- The fear of Halloween is called samhainophobia

'Tis (Almost) the Season

The holiday season will be here before we know it, and Providence City wants to celebrate!

Mark your calendars for the fifth annual Tree Lighting and Visit with Santa on Thursday, Dec. 7. Gather with neighbors to light the Christmas tree in the 100 North/Gateway Drive roundabout. Additionally, the city-wide holiday lighting contest will run from Dec. 8-18.

More details on both events will be shared soon.

Seasonal Changes

As the air cools and the weather shifts, seasonal closures will be made in Providence City parks.

All park restrooms will be closed on Monday, Oct. 30. The splash pad at Alma Leonhardt Park has been turned off, and pavilion reservations are also closed for the year.

Thanks for a great season in the parks. Enjoy the remaining amenities this fall and winter and we'll see you next spring!

Book a Ride

Need a lift somewhere? Cache Valley Transit District is now offering rideshare service, getting you wherever you need to go. Like bus service, POOL is also fare-free, so download the app to get to your next stop around town.

Book. Ride. Repeat.

POOL is a new ridesharing service provided by CVTD. Every ride is on demand within the POOL service area. The service is zero fare. For more information and to download the app, go to cvtdbus.org/pool.

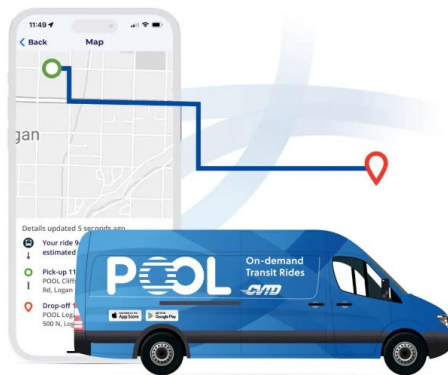

Service Hours

Monday to Friday 6:15am – 8:45pm

Saturday 9:45am – 6:30pm

No Sunday service

No smartphone? No problem! Book a ride by calling 435-752-2877

Stay in Your Lane

One of many projects over the summer, Providence is working to designate bike lanes around town. The lanes have all been striped and painted, with sign installation coming next. With the addition of these lanes, on-street parking may change in certain areas (i.e. Gateway Drive). Please pay attention to these adjustments and observe any posted signs to respect cyclists and keep our residents safe.

Are You Fiber Ready?

How is your fiber install coming? Strata is here until the weather turns, so get your drop and installation scheduled to get connected before they leave for the winter.
