2023 Ladder League

Ladder leagues are fun and competitive! Your ranking on a ladder is based upon your points earned each week. After each week players will be placed in a new group of 4 in the order of their ranking on the ladder for play. If a player needs to miss a game, a similarly skilled sub can be invited to play (point will not count for absent player) Games are played to 15, win by 1. At the end of the league, the lowest score will be dropped and medals will be awarded to the top 3 players.
