### 100 Mile Club

100 Mile Club: How many miles can you walk and/or run from May to August? Keep track of your miles for our 100 miles club. Bring your tracking sheets to the city office 164 N. Gateway Drive to receive a prize.

### Exercise Club

Exercise Club: Regular exercise is part of the path to good health and well-being. You don't have to have a strict regimen at the gym (but that would certainly qualify). Exercise options are numerous and include calisthenics, strength training, dancing, gardening, biking, even doing household chores. Find activities that you enjoy and make them part of your routine. Participate in our Summer (May - August) Exercise Club.
